

Re: Docket# 98N-1038, "Irradiation in the Production, Processing,
and Handling of Food."

0566 '98 MAY 13 P2:00
I want the FDA to continue prominent labeling of food that has
been treated with irradiation. The label should be conspicuous and
include the logo for irradiation.

Your Signature: Thiphant Harnamati

Additional comments: If drugs like cigarettes and
alcohol must be labeled, then why is that
something as obviously dangerous as food irradiation
does not?
